THE AMICABLE SOCIETY OF

L A Z Y B A L L E R I N A S

There are many reasons we are drawn to wine. The Amicable Society of Lazy Ballerinas dedicates it's time to your enjoyment of good wine in an open, inviting environment. We think wine is smarter than us and will always stay one glass ahead of our curiosity.

Therefore, to understand it, our job is to drink it.

Our wine list is organised by style to help you find the perfect wine for you. . Please ask one of our knowledgeable team if you would like to know more about our wines, producers and food pairing to compliment your chosen wine. Our wines are imported exclusively by our Carbon Neutral Plus suppliers, so you can rest assured, that by the time our wines reach your glass, we have off-set more Carbon than our delicate footprint

Our standard bottle size is 750ml, unless otherwise stated. Our glass sizes are 175ml, 125ml and 75ml. Wines and vintages on this list are subject to availability. We will always endeavour to find a suitable replacement if a wine or vintage you requested is not available.
